The Student Activities Council is composed of the president and vice-president of the student body, an auditor, representatives of the College, the School of Business Administration, and the professional schools of the university; and three non-voting faculty members.

The Council budgets the student activities, supervises all publications, conducts elections, and with the cooperation of the Interfraternity Council, sponsors the spring dances.

This year the Council abolished all professorial "pants-pulling" in connection with the annual pushball game, adopted laws for campus driving, and set up a traffic court for their enforcement.

Phi Beta Kappa, organized in 1776, is the oldest college "Greek Letter" society. Increasingly, during a century and a half, election to membership has meant recognition of outstanding mental capacity well employed, particularly in the acquisition of a liberal—cultural or general—education.

The Emory chapter is known as the Gamma Chapter of the Phi Beta Kappa Society in the State of Georgia. There are three classes of members: (1) Members in Course (students): (2) Alumni Members: (3) Honorary Members. In the case of students, election to membership is based upon scholarship, breadth of culture, and general promise.

Alpha Omega Alpha, highest honorary medical society, supplanted the twenty-two year old Asklepios, local honorary society at Emory, this year.

The society, said to be the only order of its kind in medical schools on this continent, was welcomed with high praise by the administration and by the faculty. Alpha Omega Alpha is to medicine what Phi Beta Kappa is to the college of arts and sciences and Sigma Xi is

to graduate work. The establishment of this organization is thought to be a great step forward in the establishment of a super medical center in Atlanta.

Membership in Alpha Omega Alpha is based purely upon scholarship, provided that the candidates' moral qualifications are satisfactory. Its aims, as stated by the constitution of the society, are "the promotion of scholarship and research in medical schools, the encouragement of a high standard of character and conduct among medical students and graduates, and the recognition of high attainment in medical science in practice and related fields." -

The society was organized at the College of Medicine in the University of Illinois, Chicago, on August 25, 1902. It is not primarily a social organization; chapter meetings are devoted to the presentation and discussion of clinical cases and scientific papers. Public addresses are given by distinguished physicians under chapter auspices.

Alpha Epsilon Upsilon is a Junior College scholastic honor society. Men in the College of Arts and Sciences or the School of Business Administration who have maintained a scholastic average of 5.00 quality points per major of work taken through three-quarters, or 4.25 quality points per major of work taken for four quarters are eligible for election.

In addition to the required scholastic standing, the range and nature of the courses selected, the moral character of the student, and the general promise of a student to the world of scholarship and society enter in as a basis of election.

The annual scholarship trophy awarded to the outstanding freshman this year went to Jack Mathews.

### Eta Sigma Psi

Eta Sigma Psi is a sophomore honor society organized on the Atlanta campus in the Spring of 1928 by several members of the Sophomore class. The society, first known as the Toreadors, adopted its present name in 1930, and in that year established chapters on the campuses at Oxford and Valdosta.

The founders expressed the purpose of the organization as follows: "To create within the members of the freshman class an interest in extra-curricular activities which are of value to the University; to recognize character and leadership among the members of the freshman class; to be of service to the college or university by promoting, encouraging and recognizing service, character, and leadership."

Each year the society, composed of the active members, gives a banquet for the Alumni present in the university. The organization hopes that in the near future a campaign can be carried on for the establishment of chapters at other colleges.

### Honor Council

Since the inauguration several years ago of the Student Honor System at Emory the Honor Council has had as its duty the fostering of a spirit of honor among the students, and the administration of the Honor Code. Concerned chiefly with the latter function, the Honor Council has, from year to year, placed increasingly great emphasis on its objective, the prevention of dishonesty, by the elevation of Emory's standards of honor and manhood.

Although the Honor System is not perfect in its operation, if by perfection is meant the absolute prevention of dishonesty, it has become recognized as an integral factor in the growing ideal of a

greater Emory. The greatest measure of its success may be found in the favorable change of attitude among the students themselves concerning honesty in college work.

The Honor Council is composed of four seniors and one junior selected each year by the outgoing Council to serve for the following scholastic year. The Council selects a faculty member to serve in an advisory capacity.

Pi Alpha is a local honorary fraternity that serves a two-fold purpose: first, the recognition of sincere endeavor in the field of chemistry by granting membership to those students of chemistry who by their outstanding work merit such recognition; and second, the promotion of a stronger fraternal spirit between the future chemists at Emory through a mild social program combined with cooperation on projects designed to stimulate interest in things chemical.

Outstanding in its yearly calendar is the open house sponsored by Pi Alpha, but embracing all departments of science at Emory. At this time, students from nearby high schools are entertained with a tour through the laboratories to inspect scientific apparatus in operation.

### Phi Sigma

Phi Sigma was founded at Ohio State University on March 17, 1915. Originally designed as an honorary biological research society, it should now be considered as a working guild of biologists interested in research. Election to Phi Sigma should be an opportunity for better work, rather than merely election to an honorary society.

Each year Phi Sigma elects to active membership those students concentrating in biology who have shown a marked ability and interest in research work.

At commencement, a scholarship medal for excellence in biological research is awarded to a student, not necessarily a member of the society.

Alpha Epsilon Chapter of Pi Sigma Alpha, national honorary political science fraternity, was established on May 25, 1938, as an outgrowth of the Political Science Club. The fraternity was founded to stimulate productive scholarship and intelligent interest in the subject of government.

A reorganization was effected in the requirements for membership to allow participation of students who do not have sufficiently high grades. The following classes of members will be recognized: regular members, those now active in the organization, and limited members, students who have had at least one course in political science, but whose scholastic averages do not allow them to participate fully.

Pi Sigma Alpha cooperates with the Institute of Citizenship in its annual program.

### International Relations Club

PRO PATRIA PER ORBIS CONCORDIAM

Emory's chapter of the International Relations Club has had the longest continuous existence of any of the non-social clubs on the Atlanta campus. It remains today one of the most exclusive of the extra-curricular activities. Under the direction of Dr. Ross H. Mc-Lean, professor of history, the club meets on the first Wednesday of each month for intelligently-conducted discussions in the field of international affairs.

The purpose of the International Relations Club is to instruct and enlighten public opinion. It is not to support exclusively one view as to how best to treat the conditions which now prevail throughout the world, but to fix the attention of the students on those underlying principles of human conduct, of international law, and of international organization which must be agreed upon and put into action if a peaceful civilization is to continue.

Pi Mu Sigma, an honorary society of pre-medical students, was founded at Emory University in January, 1938.

The purposes of Pi Mu Sigma are two-fold. It organizes the pre-medical students and cooperates with the faculty in solving any difficulties that may arise. It also serves as a stimulant to high achievement in the pre-medical course of study.

Lectures are presented which are designed to promote deeper interest in fields more closely allied to actual medical work than are the undergraduate courses of study.

### Alpha Kappa Psi

Alpha Kappa Psi, national commercial fraternity, was founded at New York University in 1904. It is the oldest commerce fraternity and one of the largest of the college and professional groups. Since its founding in 1904, it has grown into an international organization with a membership of over twelve thousand. The fraternity was founded with the idea of perpetuating ideals of higher ethics in business. From the beginning it has furthered the individual welfare of its members, fostered scientific research in the fields of merchandising, banking, and finance, and promoted courses leading to degrees in business administration in institutions of collegiate rank.

## GLEE

The Emory Glee Club this year, climaxing a highly successful season with a more extended spring tour than has been customary in the past, presented concerts in cities of Georgia, Florida, and Alabama.

The spring tour came on the heels of an equally successful series of appearances during the Winter Quarter in Washington, D. C.; Louisville, Ky.; Greenwood, S. C.; Roanoke, Va.; and Richmond, Va. While in Washington, the singers presented a program over a network of the National Broadcasting Company.

Immediately following the winter tour, the Club climaxed its Winter Quarter activities with the annual Atlanta Concert, usually held in the Spring. Another highlight of the year was the Club's annual Christmas Carol service, presented to two overflow audiences in Glenn Memorial Auditorium.

The Varsity Debate Squad is composed of certain members of the University Forum who, on the basis of their merit, have been selected by the Coach of the Forum and the Chairman of the Debate Council as men eligible to compete in intercollegiate debating. Any member of the Forum is eligible to become a member of the Varsity Squad.

During the year three varsity trips were made and schools debated included Southwestern University, University of Alabama, Furman University, North Carolina State College, Virginia Intermont, Duke University, Maryville College, Mercer University, Florida State College for Women, University of Florida, University

of Miami, and Rollins College.

In addition to the trips, a series of campus debates were held. Schools debated here included Georgia School of Technology, Sophie Newcomb Col-

lege, and Washington and Jefferson College.

Among subjects frequently debated were the Pi Kappa Debate Question, Resolved: That the United States should follow a policy of strict (economic and military) isolation toward all nations outside the western hemisphere engaged in international or civil conflict. Resolved: That it is to the best interest of the United States that Franklin Roosevelt be elected for a third term, and Resolved: That intercollegiate athletics are desirable.

Upon the dissolution of Few and Phi Gamma Literary Societies early in the year, the Emory Debate Council, composed of five faculty members and the student debate manager, with the help of Dr. Cox took steps to create an adequate forensic organization at Emory. Student leaders joined efforts and the result was the formation of the Emory Debate Forum.

It was felt that the outgoing system paid proper attention neither to instruction in speaking nor to well-planned programs. To rectify this situation the Debate Council appointed a salaried debate coach, responsible to the Council, to instruct and guide the Debate Forum and the Varsity Squad.

The Forum, which has been granted three representatives on the Debate Council, has proved the value of the new debate structure. Intense debate competition, the pursuit of new and interesting forms of public speaking, and the enthusiasm of its participants seem to attest that the Forum shall be a permanent and successful method of operation.

### hundred forty CAMPUS

The advertiser is the traditional "forgotten man" of the college annual. The object of the 1940 CAMPUS has been to remedy this unfortunate situation as it has existed in regards to yearbooks in the past. We have tried to show that an annual can be a good medium of advertising, for firms both local and national, and our desire is that the 1940 CAMPUS will set an example for other schools which, we hope, will carry further this plan to really help those who make possible, to a large degree, the publication of the college annual.

In the past several decades, CAMPUS advertisers have subscribed to approximately fifty thousand dollars' worth of advertising space. Thus nearly one-third of each year's total income of Emory's yearbook has been derived from this source of support. With a realization of such, our aim has been that this annual will convey our feeling of appreciation to our advertisers—present and past; to them we dedicate our book. We hope we are giving "value received."

The weekly publication of the student body, issued every Thursday by the Student Activities Council. Founded in 1919 by Ernest Rogers. Member of the American Collegiate Press, and of the Georgia Collegiate Press Association.

### WHEEL

THE WHEEL for 1938-39 had been named one of the two best weeklies in the country by the Associated Collegiate Press. It was this prestige and standard of quality which this year's staff sought to maintain and develop.

No radical changes in typography were attempted, but there was constant effort to more completely streamline contents and make-up. There was an emphasis on pictures taken by Emory cameramen, instead of the past reliance on Atlanta newspaper photographers. An increased S. A. C. grant enabled the staff to establish a WHEEL photographer and to spend more money for local engravings. Two local cartoons graced WHEEL pages throughout the year.

Another improvement came in reportorial style. The staff added sparkle to routine news stories by injecting human interest, personalities, and drama.

Total result was a livelier, more readable WHEEL.

In December THE WHEEL celebrated its twentieth anniversary with a 24-page special edition, which reviewed the history of the University since its founding in Atlanta. It also served as a tribute to Ernest Rogers, '20, founder of THE WHEEL and loyal alumnus.

Influence of THE WHEEL'S editorial columns cannot be minimized. Its campaign for better relations between administration and students and its repeated plea for internal expansion in line with materialization of the University Center project brought appreciable effects.

# PHOENIX

A balance struck between purely literary, discussional, and light material is the ideal of "The South's Oldest College Literary Magazine." A magazine in which all departments and phases of the university and university life find expression and lend themselves to others, a magazine which serves to break departmental walls is one which can be achieved over a period of time, and it is toward such a publication, comprehensive in the sense that the university is comprehensive, that the PHOENIX is striving.

With the cooperation of Emory and Agnes Scott toward a University Center in Atlanta in mind, the editors of the PHOENIX merged its Christmas issue with that of Agnes Scott's AURORA.

OPINION, previously put out by the Political Science Club, has been this year combined with the PHOENIX.

## Press Club

The Press Club is an honorary journalistic society whose undergraduate membership is limited to outstanding journalism majors whose scholarship averages are superior.

The club has brought to the campus a number of outstanding journalists and authors, has begun a periodical library for the journalism department, and is working toward the establishment of a permanent departmental library.

Membership is open only to those journalism majors who have superior scholastic averages, who intend to enter some phase of the profession as a life career, and who have exhibited marked aptitude for the profession, either at Emory or in the professional field.

# Engineers' Club

The Engineers' Club is founded on two basic principles and purposes: the promotion of the department of Engineering, both at Emory and in other colleges; and the instruction of students in conditions and developments in the industrial field. In line with this objective, the club's program of activities regularly includes field trips, speakers, and motion pictures.

The membership of the Engineers' Club is open to any student who is interested in engineering, and includes all students who are following that course at Emory.

The Emory Christian Association, in its third year of operation under a new administrative organization, has coordinated its activity with unusual success.

Changing from the former plan of five administrative areas, the E. C. A. divided its work among ten committees, whose heads, together with the executive committee, from the executive council.

These groups have worked toward making the E. C. A. stronger, and toward making the Christian ideal more vital to students.

ENO is now filling a long felt need for an organization of all non-fraternity men. Its aim is: to create interest and maintain high standards of accomplishment, and to develop individual abilities in activities relating to the non-fraternity men, and at the same time, to develop a spirit of cooperation, brotherhood, and enthusiasm among the students, all working together for the welfare of Emory.

This body's activities are concentrated in getting non-fraternity men interested in, and providing a medium for their acquaintance with, the phases of campus life and activity. The Emory Non-Fraternity Organization has members in almost every activity on the campus. For each activity there is a chairman whose duty it is to see that those men who are interested in activities are provided adequate opportunity to enter them. ENO, through its two athletic teams, has made it possible for every non-fraternity man to participate in Emory's numerous athletic events.

The members of ENO have maintained a scholastic average above the fraternity average and above the all-men's average. This group has also made it possible for its members to enjoy a certain amount of social life at Emory.

ENO quarterly sponsors a used book exchange. Individual help by the scholarship committee is available to any student in the University. Members of the organization publish periodically THE ENO NEWS, a mimeographed paper of from four to six pages.

ENO thus strives to make it possible for all non-fraternity men to receive the greatest possible benefit due them from their college life.

### COUNCIL

The Interfraternity Council is composed of two members from each of the twelve fraternities and meets on alternate Tuesday nights throughout the school year. The authority of the Council is supreme in all affairs pertaining to relations between the fraternities, except those reserved for the University Administration.

Included under the jurisdiction of the Council are drawing up and enforcing rushing rules, regulation of fraternity finances, and the planning of a social program.

This year the Interfraternity Council has sponsored five "two-bit" dances throughout the year and has collaborated with the Student Activities Council in sponsorship of the annual Spring dances.

A thorough study has been made of the rushing system and some innovations have been recognized. The Council has continued the policy of compelling each fraternity to have its individual books audited quarterly by the school auditor.

Twice during the year the Council has given Chapter Adviser dinners, in the hope of acquainting the individual chapter advisers with some of the problems which the fraternity system is now facing.

In the Winter quarter Tau Epsilon Phi, recently reorganized on the campus, was voted representation on the Council following petitioning, thus increasing the number of members to twelve.

Following the policy instituted last year, the officers of the Council served throughout the entire year, making for better organization and efficiency.

The Council cooperated with Georgia Tech in March in acting as host to a sectional Interfraternity Convention, the first of its kind ever held in this area.

The faculty advisers, clocted by the Council, are: Dean E. H. Rece and Dr. O. R. Quayle.

# "E" CLUB

The "E" Club is an organization composed of members elected from the lettermen on the Emory Campus. The aims and ideals of the club are best expressed in the "E" Club Code, which reads as follows: "We believe in Emory, her Ideals, her Athletics, her Sportsmanship. We have pledged ourselves to do all in our power to raise the Standard of Athletics; to stimulate interest therein, and thus benefit our Student Body. To keep our Sportsmanship at all times above the slightest reproach, and to be Men worthy of our Alma Mater. We believe in Emory."

Members are selected from those students who have obtained two or more letters, except in special instances, in which the club may extend membership to meritorious students.

## THE ATHLETI

### "ATHLETICS FOR ALL"

The three words of its motto give a fair summary of the athletic program of the University. For many years the goal which Emory has set for its athletics has been active participation and enjoyment by the vast majority of the student body rather than victories in intercollegiate competition and conference championships. Until recently this program has been unique among the major universities; nevertheless, it has won wide acclaim and its wisdom has been unquestioned by generations of Emory men.

The original suggestion for the program came from Professor Clyde Brown, now at Duke University, while Emory was still a small college at Oxford, Georgia. The system has been

expanded from this small beginning until today it embraces intramural competition in eighteen different sports and intercollegiate competition in two, under the capable guidance of Athletic Director George Maye. Six sports are recognized as majors—football, boxing, basketball, tennis, swimming, and baseball—and outstanding individual success in them is rewarded by the receipt of a varsity "E" jacket. In the minor sports outstanding performers receive keys.

The Athletic Council which directs this program is divided into two groups, the Executive Council and the Managers' Council. The Executive Council consists of the Athletic Director, four student senior managers, two members of the Student Activities Council, a student treasurer elected by the Council, and two members of the Faculty Committee on Athletics. This Council supervises both the activities

of the Managers' Council and the general athletic system.

### JUNIOR MANAGERS

## ASSOCIATION

Actual control of the various individual sports is vested in the Managers' Council which is composed of twenty junior managers. Each of these men handles a single campus sport; some of the major sports are so complex as to require two junior managers. Junior managers are responsible to the Executive Council for the efficient management of their sports, and recommend to that body men who have worked under them as successors. Each spring the Executive Council selects the incoming Managers' Council as well as the four senior managers for the following year. These selections are announced at the annual Athletic Banquet held during the latter part of the spring quarter. For their services senior managers receive "E" jackets and junior managers, keys.

ROY LEE HILL President Athletic Council

Inter-organization athletics have been run off in two leagues again this year, the six larger fraternities being placed in the Gold League and the smaller groups in the Blue League. For the first time this year ENO entered a team in both leagues and thus any independent member of the student body was allowed to compete in either league he chose. The scope of the inter-organization system thus embraces all students. The winning organization for the year in each league receives a cup, as do the high individual performers in each league. In individual sports the winners in the two leagues meet for the campus championship cup.

Two major achievements of the Athletic Association in the past year have been in the addition of equipment and in the renovation of the system under which men work for junior managerships. Complete new uniforms were secured for all class football and baseball teams. Under the new system of selecting

### SENIOR ATHLETIC COUNCIL

junior managers, a man must work on at least three sports and meet certain time requirements during both freshman and sophomore years before he becomes eligible for consideration. Both class and inter-organization sports have been run off smoothly on schedule this year, and the two inter-collegiate teams still maintained, swimming and tennis, have experienced successful seasons.

Top Row—Left to Right: Jimmie Ballou, treasurer; George Cooper, Walter Cottingham. . . Bottom Row: John Deaver, secretary; Earnest Harwell.

## FOOTBALL

Front Row, Left to Right—Porch, O'Donnell, Few, Daniel, Brown, Hale, Miller, Simmons, King, Prewitte. . . . Back Row—McNatt, Saunders, Beatty, Morgan. . . . Missing from Picture—Jack McLaughlin.

When Manager Billy Bates organized himself in preparation for the 1939 class football season, little did he realize what a tremendous season he was about to manage. Before the final whistle blew, Billy saw four teams dressed "fit to kill" in new uniforms—he saw five scoreless tie games—and he saw plenty of good, solid football.

Besides that, Billy was there when they crowned TWO championship teams instead of one!

It was on the 17th of November that the battle-weary junior and sophomore teams buried the hatchet and were declared co-champs. That afternoon the two teams had struggled, for the second time, to a scoreless deadlock. The game brought both teams' records to three wins and three ties.

The season opened Wednesday, October II, with Coach Moye's Sophs taking the first win. They beat a very green Frosh outfit, 27 to 6. From the very beginning, one watched with increasing interest the superb Soph backfield. It was Morrison, Beatty, Winslow, and Morgan—again and again—through the Frosh line and around it. Ralph Porch and Howard Few in the Blue forward wall showed they were there for business only—and that business wasn't buying eggs.

Two days later the Senior squad, coached by Thaxton Springfield, and the Junior "Big Red" outfit, led by Dick Bell, met for their season opener. Scoring midway in the first quarter and playing defensively the second half, the Juniors licked the gold-shirted boys, 6 to 0. A fumble and a poor kick

by the Goldies set the touchdown stage for Junior Jack McLaughlin. McLaughlin, Belcher, and King were all newcomers to the Junior ranks. They had a very successful debut.

The first game was only a warm-up for the Junior Red-Shirts. On the following Wednesday they trounced a weary Frosh eleven, 15 to 0. Again it was McLaughlin all the way. He was aided by the exceptionally fine play of linesmen Hicks, Peek, and Bell. Freshmen Hale, Meadows, and Corry played a better-seasoned brand of ball.

On Friday, October 20, came a hint of the feud that was to come between the Sophomores and Juniors. The Sophs scored twice to beat the Seniors, 13 to 7, and moved into a tie with the league-leading Juniors. This game was slow until Blond Jim Winslow broke away late in the last period and scored from the 27-yard line. A pass interception gave the Blues their second tally.

The Frosh losing streak continued and, the next week, they fell before a rejuvenated Senior attack, I3 to 0. The Frosh passing attack, featuring Meadows and Butsch, failed to click. Ralph Bridges and Parker Bedingfield played nice ball in the Senior backfield and were responsible for the touchdowns.

Despite the fact that Dick Bell's Junior crew ran up ten first downs against the Sophomores, October 27, the game ended in a pointless tie. The Juniors outplayed their opponents during the first half, but the Blues, led by Earl Beatty and Johnny Morgan, took honors in the last two periods. It was the most colorful game played during the season. With only seconds to play, Moye attempted a field goal from

By this time the scoreless game had spread. The Juniors and Seniors faced each other for four fruitless periods on Wednesday, November I. The Juniors missed a score by a razor-edge in the second quarter when four tries from the Senior four-yard stripe gained nothing. An equally good chance was offered to the Goldies when they blocked a punt far down in Junior territory. But the Juniors held everything, and the crisis passed. Outstanding was the work of Senior linesmen Prewitte, Simmons, and Daniels.

As the football weather held and November progressed, the Freshmen became the victims of the Sophomores and Juniors in two successive games. The first they lost to the Sophs, 12 to 0, and in the second they were hit 24 to 0 by the fighting Juniors.

Two fumbles and brilliant defensive play by the Senior forward wall brought the Sophomore Blues to a halt November 10. Neither team scored, though the second-year boys made six first downs to the Seniors' one. Bridges and Ben Mc-Andrews kept the Blues backed up all afternoon with beautiful punting, and Ray Miller, Senior guard, insisted on intercepting Sophomore passes. It was the banging, slashing Senior defensive that was to be remembered. More than once, the deceptive Soph reverses were halted by the alert Gold line.

The Frosh closed their season November 15 by surprising the Seniors into a scoreless tie. Paul Pankoke was the Green

Team's shining light throughout the play. Meadows and Cook also showed improvement. It was the Seniors' last game.

The history-making Soph-Junior meeting for the campus championship on November 17 was the fifth scoreless game of the Emory season. The aerial-minded Reds missed a score late in the final moments when the great Blue line smothered every attempt at gain. Moye's men made eight first downs, and the Juniors took six.

Rewarded for their superior play and sportsmanship by selection to the 1939 All-Emory team were: Backfield, Sophomores Earl Beatty and Johnny Morgan, Juniors Jack McLaughlin and Allen Saunders, and Senior Bill McNatt; Ends, Sophomores Ralph Porch and Vivien Prewitte; Tackles, Seniors Coleman King and Billy Simmons, and Junior Tony O'Donnell; Guards, Senior Ray Miller, Sophomore Howard Few, and Freshman Morris Hale; Center, Senior Ernie Daniel and Sophomore Stewart Brown.

THE ALL-EMORY TEAM

Sweeping through fourteen games without defeat, the Senior team won the basketball championship for 1940. Sparked by Walter Cottingham and Pinky King, both of whom made the All-Emory basketball squad, the Seniors had a strong, well-balanced team. An unusually powerful Freshman team led by Charley Butsch and Stan Weinkle ended the season in second place.

Disappointment of the season was the Junior team, pre-season favorites of many basketball followers. Composed largely of Junior college men, the Junior aggregation was easily the smoothest work-

ing combination in the league, but for some reason they were seldom able to score.

The season was marked by a number of strong teams and close games despite the fact that the Meds were unable to keep a team together and forfeited most of their games. The season may also be remembered as marking the first appearance of the "Deuces"—composed of the various coaches. The Deuces—Coaches Moye, Cooper, DePagter, Watkins, and Bell—played good ball, losing by only one point to the Seniors.

The All-Emory squad was composed of Charley Butsch and Stan Weinkle, Freshmen, John Black and

Bill Keith, Juniors, Pinky King and Walter Cottingham, Seniors, and Weston Caldwell, Lawyers.

Cottingham was high point man of the season, scoring 130 points, followed closely by Weinkle with 126 points.

SENIOR CHAMPIONSHIP TEAM

## BASKETBALL

Left to Right—Cottingham, King, Stellings, Bowers, Bramblett and Coach Pendley.

With the most difficult schedule in several years, Emory's intercollegiate tennis team has shown more promise than any team in the last three years. The team lacks any outstanding star, but it has shown a great deal of spirit and is well organized.

Without any practice the team started its season early in March, defeating Elon 5-2 in the first match. The second match was dropped to a strong Presbyterian team 9-0. The third match with Davidson was also lost 5-2, but the fourth match with Rutgers that followed two days later, ended in a victory for the Blue and Gold netmen. The team also faced L. S. U., University of Georgia, Clemson, University of Florida, Mercer University, University of Alabama, and the University of Miami.

Coach Spike DePagter has been the spark of the Emory team. He and lettermen Ralph Bridges and Bert Ausley formed the nucleus around which the team was built. Bridges, varsity standby, held down No. I position, while Weinkle did stellar work at No. 2. DePagter won more than his share of matches at No. 3, and Hamff, Doub, and Ausley were the unsung heroes who did commendable work at 4, 5, 6, respectively. On the ladder from which the team was chosen were also Hartsfield, Stellings, Little, and Cordes.

INTERCOLLEGIATE TENNIS TEAM

Baseball in the spring of 1939 was quite a one-sided affair. From the beginning it was evident that the Theologs and Meds completely over-shadowed the four class teams. Possible reasons for such a situation were that the Doctors and the Preachers were the only teams with any noticeable degree of team spirit and support from followers, the fact that Johnny Lewis, Med mound ace, and Dick Bell, reliable Reverend twirler, were the most consistent pitchers in the league, and the fact that some few of the better players on the four class teams deserted baseball to play on fraternity diamond ball teams.

But at any rate these two teams were far and away the class of the league, neither losing a game for the first four weeks of the season; then the Meds lost a heartbreaker to the Juniors with only two games remaining on the schedule.

George Cooper's Theologs were the best-balanced team in the league with two reliable pitchers in Bell and Frank Van Dyck, a catcher with lots of spirit in Coach Cooper, a hard-hitting shortstop in Wiley Critz, and lots of pepper from the whole team. Johnny Lewis' Meds did remarkably well to have been greatly handicapped by an almost complete lack of practice and by having only one pitcher. The Freshmen had a better-than-average first-year team with Jack Pirkle, catcher; Randy London, shortstop; Howard Few and Harvey Cosper, pitchers; and Charlie Allen, first baseman, showing up well. Tied with the Freshmen were Jim McClure's Sophomores, who placed four men on the All-Emory selec-

tion and played good ball in spurts. Although the Juniors and Seniors boasted several good individual players, they were able at no time to put strong teams on the field.

The final standings of the six teams were:

Team						Won	Lost	Pct.
Theologs .						8	0	1.000
Meds							2	.667
Freshmen .						4	5	.444
Sophomores						4	5	.444
Seniors						2	5	.286
Juniors						2	7	.222

All-Emory selections were: Pitchers: Dick Bell, Theologs, and Johnny Lewis, Meds; Catchers: George Cooper, Theologs, and Jack Pirkle, Freshmen; First Base: Wilbur Butler, Sophomores; Second Base: Billy McBrayer, Meds; Third Base: Orrie Myers, Sophomores; Shortstop: Wiley Critz, Theologs; Outfielders: Rex Harris, Sophomores, W. Weaver, Theologs, and Bob Brown, Seniors; Utility Infielders: Tom Gordon, Sophomores, and Roy Lee Hill, Seniors; Utility Outfielder: Arthur Bishop, Juniors.

Emory-at-Oxford won the Junior College Day baseball championship by defeating Atlanta 5-3 and Valdosta 5-0.

Managers for the season were Paul Hartsfield and Bates Block.

# BOXING

This year boxing proved that it was one of the most outstanding athletics on the Emory campus. Under the leadership of their talented coach, "Dick" Bell, the boxers packed the gymnasium during the boxing tournament. The students

themselves were also deeply interested in participating in the ring. The tournament was run off in excel-

lent style, and the bouts were fast and interesting.

After John Sessions had faced "stiff" opposition, he won the 119-129 class. Frank Hardeman scored two knockdowns and one "K. O." when he won the 129-139 class. The next weight, 139-149, furnished one of the best bouts of the tournament. John Cunningham won a decision in a slugging duel over Carter Newson who had scored three "K. O.'s" in the preliminaries. Carl Meadows won the 149-159 class. After Meadows had reached the finals he won the final bout on a forfeit from "Killer" McLaughlin who broke his hand in the semi-finals. George Wells won the 159-169 weight after several close fights. Paul Pankoke outclassed all of his opponents to "cinch" the 169-179 weight. After a few hard fights, "Sleepy Bill" Ballenger won the unlimited class.

All of these boxers showed that they were talented in the art. Four of these later got into the Golden Gloves' finals in Atlanta, and two won in their respective weights in this "competition of champions."

# and TOUCH-FOOTBALL

The interest manifested this year in touch-football again proved its right to be listed as one of the most popular sports at Emory. Spectators crowded the side-lines at every game, and the players did not disappoint them.

From the start a smooth-working S. A. E. team showed championship form. Inspired by the brilliant performance of Bridges and Cottingham, the S. A. E.'s were unbeatable. In the final game of the season they defeated a strong Sigma Pi team, 38-14, for the campus championship.

All of the games this season were marked by clean playing and good sportsmanship. Other outstanding players were McLaughlin and Grizzard.

# SWIMMING

A hard task confronted the Emory varsity swimming team as it began serious practice after Christmas. With a schedule including such powerful teams as Georgia, Auburn, Clemson, Georgia Tech, and Miami, there could be little hope for much success.

The outlook, however, was not altogether bad. Five lettermen from last year's team returned for service, and several good Freshman prospects were expected to add strength to the ranks. The dash men on the squad included: Butch Barron, Macon Smith, Milton Edgerton, Bill Ingram, and Jimmy Allred. Leroy Denny, Doug Acosta, and Glenville Giddings were outstanding in the distances. For the fancy diving Randy Macon and Butch Barron were top men. Paul Keenan, Bob Daley, and Eldon Richardson were expected to swim the breast-stroke. Two promising Freshmen, Drew Davidson and John Christopher, joined Bill Bishop in the backstroke.

Severely handicapped by the illness of four regulars, the Emory tankmen went down to defeat in the opening engagement with Georgia Tech on January 19. Two weeks later the team redeemed itself, however, by scoring a win over the strong Chattanooga Y. M. C. A. team. Since that time, two of the South's outstanding swimming aggregations, Georgia and Clemson have invaded the campus, and the greatest efforts of our crippled mermen proved insufficient to stop them. The team, now in the best shape of the season, anticipates much greater success in the two remaining meets with Auburn and Miami.

Especially commendable has been the fine spirit and co-operation of the entire team. Also, there should be mentioned the excellent job done by Beverely Watkins in organizing and coaching the swimmers.

The Assistant Managers, Buddy Brock and Henley Sturgess, have given invaluable aid throughout the season.

The all-campus swimming meet was held about the first of April.

## Diamond Ball

The Diamond Ball tournament aroused more interest this season than it has at any time in the past. A well organized Phi Delta Theta team, inspired by the superb pitching of Arthur Anderson, worked its way to the finals, only to be defeated in a close game by the S. A. E.'s, the campus champions of the season.

# Ping-Pong

Match play in Ping-Pong, followed and played with greater enthusiam than ever before, finally ended by the A. T. O. paddle stars, Warnock and Bramblett, eliminating Grizzard and Richardson of Sigma Pi, the Blue League Champions.

#### Water Basketball

Sigma Chi captured the title in water basketball for the second successive year last season. Since Bishop and Tucker, the mainstays of their team last year, are gone now, it is hard to predict who will take the honors this year. A large amount of interest was manifested by the students in this sport.

The S. A. E.'s compiled the largest number of points in the track meet this season, followed closely by Chi Phi. In the Blue League the ENO Purples led the field. There were several brilliant performances turned in by individuals. Barnwell won the 100 and 220-yard dashes together with the Javelin throw. Vaughn won the mile, half-mile, and broad jump. Freeman won two firsts and a second for runner-up honors in League "B."

#### Basketball

A powerful A. E. Pi team defeated the A. T. O.'s to win the 1940 interfraternity basketball tournament. Charlie Harris led the Blue league champs while George Cooper and John Black were outstanding for A. T. O. In what was probably the best game of the season a powerful S. A. E. team eliminated Sigma Chi, 18 to 16, as Walter

Cottingham scored from behind midcourt with 15 seconds remaining in the game. In another thrill-packed game he S. A. E.'s fell before the A. T. O.'s who thus became champions of the Gold league.

The round-robin style of tournament used last year was abandoned for the elimination tournament as large crowds packed the gym to cheer their teams to victory.

The annual fall interfraternity tennis tournament was won by a well-rounded Sigma Chi team led by Jack Pirkle. In advancing to the campus championship the Sigma Chi's defeated the Campus Club, winners in the "Blue League," and the Kappa Alpha team headed by lettermen Bert Ausley and M. J. Doub.

## Swimming

Coming just soon enough before Water Basketball to beat the CAMPUS deadline, swimming attracted large crowds to the Emory tank. Although the Sigma Nu's had a strong team full of fighting spirit, they were defeated in the finals by the A. T. O.'s by the narrow margin of 38-37.

# Wrestling

The Mat Bouts opened with seventythree entrants. After several days of close competition Sigma Chi and Sigma Pi evolved as the holders of the titles for their respective leagues. The silver cup was finally awarded to Sigma Chi. Winners of the various weights were: Brown, Spencer, Funke, Shanks, Glass, Wimberly, and Roberts.

# 104 Years of Service to God and Man

Since the founding of Emory College in 1836, the seven schools that now compose Emory University have enrolled more than 20,000 students and have conferred 9,000 degrees. Among the 9,000 living alumni are 3,000 business men, 2,694 doctors, 867 ministers, 765 teachers (including 13 college presidents), 537 lawyers, 100 journalists, and 72 foreign missionaries. Emory men today hold positions of responsibility and leadership in 47 states and 25 foreign countries.

Emory has grown from a struggling college to a large, fully accredited university, but the spirit which motivates each school—Arts and Sciences, Graduate, Business Administration, Law, Theology, Medicine, and Library Science—is the same "love of learning for the service of God and man" that inspired the founders of the old Emory at Oxford.

DOOLEY'S DIARY

Tuesday, September 19—Two hundred twenty-five prospective alumni register for first time, listen to Cox's little talk, which fails to register. Fraternities toe the mark for Rush Week, except the Theta's, who naturally have to heel it. Lodges send flying squadrons of front men to freshman reception. They mill around like stags at a Pi Pi script dance, do about as much good. Delta's hold chapter meeting, pass sixty freshmen, decide to be exclusive and see more of the others before deciding.

Wednesday, September 20—The Atlanta Journal announces: "Plans drawn for Emory Sórority Home; Phi Delta Theta's Build." Theta's indignant. The truth hurts. Lodges pounce on rushees. Chi Phi's kept very busy trying to keep Bill Griffin and Alec Hitz in the cellar and Clem Powers from under the table. Delta's pass rest of freshman class. Baxter Jones retires to library, prepares bid talk with aid of Plato's Aristotle and Henry James.

Thursday, September 21—Cumbaa, Ballard, Hall, and Wilson shock innocent frosh with smutty jokes in orientation talks. Cumbaa compares his speech to a baby—hard to deliver, Wilson says his wasn't conceived until that morning. Freshmen agree, Hartsfield swears he is going Sigma Chi. The AEPi's are uneasy, fear the Chi Phi's might invade their territory again, PiKA's and Sigma Pi's begin to get frantic, which is about all they will get Sig's wake up Sleepy Joe Hall long enough to cinch several hero-worshipping pledges.

Friday, September 22—Delta bidding team, hoarse and weary, decide to get

a Decca recording to finish their work. Chi Phi's look at Lupton and curse their caste system. SAE's miss services of Harwell, who is A.W.O.L. since his column appeared. Pinks shocked by forthright tactics of Bashful Bill McKinney from Kentucky—famous for its bluegrass, brass, and horses. Hartsfield swears he is going SAE.

Saturday, September 23—Time grows short, faces grow long. Chi Phi's pin hopes on Baxter, Plato, Louella Stone, and "Little Precious" Tift. Sigma Chi. KA, and Chi Phi pin hopes and pins on Ruth Mumford (pronounced "oomphford"). Phi Delt's pen hopefuls in upper-room hotbox. ATO's bury hopes and try to hide pins. SAE's resort to pinks. Sigma Pi informs freshmen that they have two men on the Interfraternity Council.

Sunday, September 24—Fraternity brothers match to see who will go to church to impress Cliff Harbour's family. Emory Rylander bribes Nat Long to call on him to pray. Merton Baker and Buddy Dean applaud anthem. Lodges start applying pressure. Sigma Pi's hope they will get enough for bridge. Pikers hold prayer meeting. Hartsfield swears he is going Theta.

Monday, September 25—Phi Delt's leave all their jallopies in front of Alabama for those who want to ride the Last Mile. Sigma Pi's philosophically

leave one bicycle. Those who can only stand and wait worry and fidget. The little lambs start coming at five. Mob of 26 wait until 6 o'clock before registering at the Kappa Alpha Hotel. Hartsfield gets room and bath for dollar and a balf. Chi Phi's get 17, but the only thing Gude about them is Valdemar. Delta's passed entire freshman class, and entire freshman class reciprocates by passing Delta Shelta. AEP's, with 16, plan invasion of Germany. Roosevelt reported to fear KA's as a third party in 1940 election.

Tuesday, September 26—Freshmen and fraternities get good look at each other, are seized by fits of remorse. Both get good look at Jane Jackson, agree for first time. Bickerstaff, having decided to pursue the law, mournfully watches the jellying expeditions roll off to pursue the pinks.

Wednesday, September 27 — Gosnell and Loemker start telling about their European trips. Students prefer tales brought back from California by KA and Sig convention delegations. Dooley goes to rest at Sigma Nu House—glad he ain't got no pledges.

Thursday, September 28—Hall protests in WHEEL that some fraternities got too many freshmen. Sigma Pi's discover regretfully that one of their two can't play bridge, resort to Chinese checkers.

Friday, September 29 — Fraternities shoot upperclassmen rushees same stuff that they handed the freshmen. Gignilliat offers a bid to Erle Phillips before he notices his Theta pin. Dooley would not have thought even the Phi Delt's would have made that same mistake twice.

Saturday, September 30—Upperclassmen, who should know better, pledge, KA's, who don't know when to quit, pledge 10. Chi Phi's get "Peaches" Neel, which is enough. Having forgotten how to do anything else, pink-chasers start helping high school sororities rush.

Sunday, October 1—T. Dorsey and band go slumming at Sig Alph house. Denny puts pledge button on torch-singer for photographers, makes her give it back later. Kytle and Myers stand around waiting for Tonumy to start giving away Raleighs. He bums a Chesterfield. They leave in disgust. Pinks start eating Sunday suppers on the Row, tell their mothers they can begin letting the cook go Sunday afternoons.

Monday, October 2—Beckham begins annual revamping of debate organization. Rhodes and Block promise that Few and Phi Gamma will commit harikari. Paleface Powers, unable to pay board bill, takes his landlady's daughter to the fair so that he will get a second on pie.

Tuesday, October 3 — Beckham announces abolition of the English debates as campus wonders if he will choose Yiddish or Latin as the new language. Wilson and Hunter call out National Guard to help them control KA freshmen at rat court. Baker and Miller and other deb delights cash in on summer-

long campaigns with the debutramps as Allie Malone entertains at gala Ansley blowout. Dooley thinks the debs are flat tires without blowing out.

Wednesday, October 4—Students pack Roof Garden for College Nite to hear Dorsey. Tables give out, Harwell runs out, Morrison and Macon pass out. Kytle proudly escorts Glamorpuss Jackson, guashes teeth as Jack Leonard cuts in and croons in her ear. Lew Gordon foolishly offers to buy every KA a drink, mortgages his flat as the horde rushes up from under the tables.

Thursday, October 5—Dance Chairman Robinson indignantly declares that two-bit extravaganzas will positively be exclusive. CAMPUS Editor Miller offers framed pictures to fraternities. Gign-

illiat yelps, "He framed me last spring and now he's trying to frame the whole campus."

Friday, October 6—Denny, Phillips, and Cumbaa fight it out for S. A. C. post from Bus Ad. Denny lacks only two votes from having majority (I know, Dooley counted them). Pikes take Rainbow Room and get taken. Stooge Harwell there to help them get took. Skunk invades chapel, raises bigger stink than au ODK tapping, drives even the med students out.

Saturday, October 7—Steadman announces deadline for PHOENIX-OPIN-ION. Co-op cocktail lounge installs jook organ as Jitterbugs Block and Sciple chortle. Rece explains to Bishop Candler that the jit machine is just a glorified mite box for the benefit of Polish refugees.

Sunday, October 8—Dick Garrett, manager of the Emory bowling emporium, is bowled over by Virginia Kirkland's convertible, decides that she is right down his alley. Scheinberg decides to refuse ODK, just in case.

Monday, October 9—R. A. Sewell asks Catherine Tift for the third no-break at the first spring dance, but she already has it with Block. Beckham continues debate clean-up crusade, plans interfraternity tourney. Dooley thinks that's a hell of a way to clean up. Disillusioned freshmen begin to find way back to campus from week-end sojourns in town. Gene Howe proudly exhibits receipt for his purchase of the Cyclorama and Stone Mountain.

Tuesday, October 10—Campus guffaws at debate crusade as new coaches—Jim Turner and Jim Wilson flash ODK keys. Frosh bring up rear at weekly rat courts.

Friday, October 20—AEP's pitch themselves in the crock for realistic prison party. Siegel goes stir-crazy, confesses robbing Interfraternity Council of funds. Wolkin makes his usual breaks. Wisecrackers outnumber safecrackers, which is unfortunate, because wisecracks aren't safe unless you can be anonymous like ole Dooley. Dr. Philips appointed on pre-med committee.

by a fraternity. Plan is about as hard to understand as one of Hedges' lectures and gets about the same reception. Delta's protest that people might think they were snooty if they quit bidding the whole freshman class. Steadman merges PHOENIX with Agnes Scott Aurora. Editor of Aurora advertises last maiden issue, Gosnell tells Atlanta Optimist's Club about Europe. Club still optimistic about Europe, not about Gosnell.

Thursday, October 26—Keith Conley ridicules eigarette bummers in feature story. Ed Yancey, Jimmy Funk, George Wells, and other master deadbeaters suffer the ignominy that all artists must endure.

Friday, October 27—Sigs cavort with spooks and witches (usual Sig dates) at Hallowe'en Ball. Invitations announce that "Hall will be decorated with pumpkins and corn." Dooley gathers from Des Moines reports that Joe already is. Delta's, preparing for Hallowe'en dance, decorate house as barn, a very easy job. Sigma Xu's just give a plain old dance—plenty of corn. since the Aces play, but no pumpkins.

Sunday, October 29—Phi Delt's open house for new housemother. Dooley says, "why blame it on the housemother?" ATO's continue campaign to get some time with the pinks by feeding them supper.

Monday, October 30—Students roll up trousers as debate tournament begins. AEP's Harris and Gottlieb have to argue that U. S. should not help whip Hitler, fail to put their hearts into it, lose debate, Scheinberg and Coret, Tau Ep spouters, cast sentiment to the four winds, laud Hitler, curse Jews, win debate. Kytle while on trip becomes known as Comodity Cal. He must have drawn a flush.

Tuesday, October 31—Gosnell's prattling about Yurrup drowned out by in-

Friday, November 3—Students caught with parents down as St. James Wilder beams at visiting moms and pops, Pi-K.V's and Sigma Chi's feverishly hide dead soldiers and week-end revelers. Convocation and Dooley ain't never seen so many dull people who hope to graduate in June.

Saturday, November 4—Parents return home and students return to Anchorage and Oaks. Those who miss Duke-Tech game participate in aftermath, which is why they have football games anyway, ain't it? E. Callaway looks to ODK election, optimistic and strives for new advertising quota. Denny warns him.

Monday, November 6—M'ller announces photographer's last visit to campus. Campus laughs and laughs. So does Miller; he means it. Steadman beg'ns efforts to uncover hidden Pettys on campus. Dooley suggests search for Petty girls, covered or uncovered. Katz simmers proudly as debaters elect him to head University Forum. O'Donnell sighs for Few and calls for pogrom.

Tuesday, November 7—Baxter's quota plan rejected by Interfraternity Council. Maybe next quota, muses Baxter, who decides to make campus history in an easier way—putting black bow ties on law students. Cooper and Welch refuse to mimic Ed Rivers, favor red suspenders a la Talmadge.

Wednesday, November 8—Fur flies as freshmen debaters make debut in clean Emory politics with Coach Jimmy Wilson playing unaccustomed role of defender of the honest ballot. ATO's elect Bill Brooks president of forum, have visions of another Brannen.

Thursday, November 9—WHEEL comes out; campus is amazed by Harwell's quick metamorphosis from gossip colyumist to creator of blankety-blank verse to literary critic, discussing Mark Twain with as much gusto as if he had actually read a book once. CAMPUS agrees Ernie should stick to dirt or else put his stuff in the PHOENIX.

One way to reach the "center" goal.

Sunday, November 12—Consult Charlotte Behm's sassiety notes to see what dames mooched on what suckers at fraternity buf sups. Dooley doesn't give a damn so he'll just go back to sleep, s'il vous plait.

Monday, November 13—Gosnell still talking about Yurrup. Political science students decide this is worse than his county consolidation palaver, start collecting fund to send the Goose back to Europe and buy him a nice quiet home halfway between the Siegfried and Maginot lines.

Tuesday, November 14—Bill McNatt and Spence McClelland commit suicide as Miller distributes proofs of CAMPUS pictures. Bill Griffin stares at proof angrily, threatens libel suit, demands proof that it is really his proof. Campus toughies get rough in volleyball tournament.

and Walton in as officers of freshman E.C.A.

as Harwell returns to his first love—dirt. Hall chastises administration for loafing on job. Miss Hilley retaliates, makes Hall's grades public.

Friday, November 17—Dr. Cox chastises Hall, threatens him with fascism. Joe has visions of concentration camps, shudders—he hates to concentrate. Students pass up Players's "Mr. Pim Passes By," pass out instead.

Saturday, November 18—Emmett Robinson, new dance boss, changes Baxter's policy, makes two-bit dance exclusive, but Bill Hester still gets in. However he's a fairy nice boy. Sciple, Sewell, Quin, Milwain, other jellies commute between two-bit and Phi Pi dance.

Sunday, November 19—Lodges eat Thanksgiving feasts, regret Saturday nite as usual. Tony O'Donnell registers for fall quarter.

Monday, November 20—Dave Chewning finds copy of fall PHOENIX in SAE bathroom, becomes first student to read it since it was published three weeks ago. Even Steadman refuses to read it, but Chewning will read anything.

Tuesday, November 21—Campus Club requests Interfraternity Council to quit taking away its members. Fraternities deny that they want any of its members. Siegel scowls as Tau Eps come to council. Everybody but Dooley, PiKA's, and Phi Bete's depart for Franksgiving holidaze.

At Chi Phi alumni dinner, John Youmans dedicates "Sweetheart of Chi Phi" to Mrs. Hyde, who was the only female he could find who was willing to accept the tables at the Roof Garden.

Sleepy Hall, amazed at two letters-to-the-editor in one week, pens half-page editorial in appreciation. Theology conference outlaws smoking. The brethren drown sorrow in drink. nie?" Stooge's colyum on back page is headed: "Confessions of a Glee Club Camp-Follower." That's the WHEEL for you: its front page doesn't know what its back page is doing, as the old saying goes. Harwell confesses he lost only his suitcase in Washington. That's a good sign he had to leave in a hurry, as did Chicken Buttram one night, but not from Washington. per, try to AK the Press Club into Sigma Delta Chi. Campus and Dr. Cox begins to wonder what Sigma Delta Chi is. Dr. Boyd pulls another pun. Hall wants to change things. Campus shudders at thought of another WHEEL crusade. The damn sheet has stamped out politics, syphilis, the PHOENIX, war, and speeding. One consolation is that we will all get flat feet from stamping and avoid the draft.

Saturday, February 24—Gillespie wins Camera Club contest, as the six entrants win six prizes. Dooley reads WHEEL, sees Parran lands its attack on syphilis. Charles Priles disappears as the state bureau comes to fingerprint the student body. Beckham gets picture taken with Angelique de Golian, Ioses 20 potential Theolog votes, Adviser Jones says from now on Beckham should take out only library schoolers to einch the Theology, Library, and Anthropology class voic. Kernan writes Geology story for WHEEL, quoting Kernan, Dooley wonders what the hell he's running for. Worthy continues Theta propaganda. ODK and Cox continue vicious "Keep off the Grass" drive. Kytle, too, wonders how the grass will grow in the

Sunday, February 25—Allgood asks brothers what they think of his chances for president. Brothers answer. Allgood still unperturbed.

Monday, February 26—Moot court acquits Harwell of libel in Jookey Joe Dukes rooking. Harwell still not ac-

quitted of his column. Dukes is no gentleman because he spits on the floor and doesn't rub it in. Gents always rub it in. Berry Langford is the berries as the Cuban senorita.

Tuesday, February 27—L. C. Burch decides to enter politics, run for treasurer of ECA. New faces seen in library as prospective ODK's hang around speaking to right people. Billy Bates commutes from library to Co-op. Economou finally revealed as only freshman who actually wanted to join Baxter's clan and got away alive. Gazelle begins speaking to KA's, pinning his last hopes on 1) Stewart, 2) a miracle (to go from the ridiculous to the slime). Fanning decides to run for editor of ENO NEWS.

Wednesday, February 28—Today is the lull before the storm as KA's seek half-way legitimate excuse for electing Jimmy ODK now, SAC approves intercollegiate basketball. That's like the Possum Hollow grand jury approving Roosevelt for a third term.

Thursday, February 29—Harwell announces in dirt ditch that in a week or two he thinks he will do a little piece. Dooley, mad, writes letter to WHEEL accusing Fanning of plagiarism. Fanning ought to be hamstrung just for

claiming to be on speaking terms with Dooley. Wilder beats Beckham in hot ECA election, just like Dooley feared. Dooley had wind of it in advance. Archie Tolbert consequently elected president of Presbyterians.

Friday, March 1—Mathews elected Forum head, politics become respectable. Players give "Our Town" before wildly leering crowd, if any.

Saturday, March 2—Glee Club serenades Byrd and penguins at South Pole, reaching new low. Chi Phi's give Mrs. Arkwright a debut party but no champagne. Not even beer. Only tokens.

Sunday, March 3—Silverstein decides to run for CAMPUS.

Monday, March 4—SAC takes it all back about basketball, decides not to have it after all. Cottingham, Gordon, Black et al. grieve. Myers rushes to write indignant letter to Ephriam. Doug Acosta takes a jubiliant swim in the pool. Milton Edgerton mentions a few more Chi Phi athletes.

Tuesday, March 5—Theta's mansion becomes a reality; Thetas become a reality; what realists we are. Arthur Anderson elected night clerk of the house, members talk about taking in boarders. Earl Phillips and Trimp frolic in new cellar, decide it won't be such bad place to spend rush week in.

Wednesday, March 6—Silverstein decides to run for PHOENIX. Constance Knowles wakes up in class, gives Prof. Fuller an awful start.

Thursday, March 7—Harwell tells what students do in chapel. How the hell does he know? Coret embarrasses hell out of politicians by minding his, own business.

Friday, March 8—SAE's float away Driving Club at annual Founders' Day Brawl. Baker and Dean, money lost in bet on ATO-SAE basketball game, have to stay sober—all alone. AEPi's grooming Charlie Harris—for what?

Sunday, March 10—Theta's postpone open house because of mud, but Goldstein rides down anyhow. Dooley didn't

Pull it up, I'm no communist.

think, from past political campaigns, that the Phi Delt's objected to mud.

Monday, March 11—Silverstein decides to run for CAMPUS. Dance Committee invites campus to jerk with Kirk at the spring dances, announces interracial leadout. Clary and Elkin rejoice, decide to go to the dances.

Wednesday, March 13—Exams begin as thousands of students rush home with quickly-acquired cases of flu, measles, exam-fright, anything to get away. Tom Gordon, minus Beverly, suffers low-blood pressure.

Thursday, March 14—Another day, another exam, another headache, another F.

Friday, March 15—Students forget exams, frolic at Anchorage and pink dances.

Saturday, March 16—Students remember exams, forget answers, curse Stipe, Cox, Miss Jemison, and fate.

Sunday, March 17—TODAY 1S SPRING HELLIDAY.

Monday, March 18—Spring quarter opens. Miss Hilley shocked as Gere Jenkins and Bob Pendley matriculate together Rhodes decides to be on SAC.

Tuesday, March 19—Porch thinks up nasty things to think about Hardin. Cottingham begins to plague Harwell to nominate him for student body presidency. Wilder decides to be on SAC.

Wednesday, March 20—Steadman swears winter issue of PHOENIX will appear this week. Seventy-eight men in search for a crip report for Harvey's course in contemporary trends, Seventy-eight cripples leave first day's lecture. Clifton White shifts phonograph concerts to Wednesday, J. G. Milwain flips coin to decide between Glenn Miller, Tschaikowski.

Thursday, March 21—Today is spring tra-la, Beckham, Rhodes et al. begin wearing coats. Nelson starts WHEEL campaign to establish spring holidays. Dr. Cox unperturbed.

Friday, March 22—Beckham beats Wilder to top step at chapel. Cottingham asks Boozer to support him for president.

Wednesday, March 27—SAC decides to eliminate any future Millers, asks constitution committee to draft by-law preventing "ex-officio" editorships. Fain looks up "ex-officio" in dictionary. Thursday, March 28—Feeling his oats, WHEEL'S new editor insinuates that what campus needs is less Cox. Leatherwood announces Radio Guild to start series of horror programs. Hell, ain't Leatherwood horrible enough already?

Friday, March 29—Bates decides to run for SAC, which is quite enough for one day.

Monday, April 1—SAE's grow panicky: Alpha ain't been molested in six months. New Bus Ad Dean Martin pays campus visit on birthday, assures Cumbaa he's no fool.

Tuesday, April 2—ECA gives campus a belated dose of religion—too late. Any damn fool knows religion and politics don't mix. Kytle named SAE prexy, eyes WHEEL editorship and keys. Johnston and Chewning glower in corner. Phillips elected to head Thetas, just as we thought.

Wednesday, April 3—Sudden boom for return to Jacksonian democracy as Jane Jackson urged to run for student body president.

Thursday, April 4—Beckham, Boozer, King nominated for president. Cottingham pouts. Chi Phi's confident of getting a vice-presidency at least. Boozer

hopes to get by on Glee Club, Folanthe, DVS. Rumors of split in Med School vote. That ain't all that's split, say Dooley. WHEEL comes out. ENO's Bickers and Coppedge get pictures on page one as N. I. S. A. delegates. Bickers eyes SAC, Coppedge eyes Bickers, wonders how he ever got mixed up with ENO in first place. Silverstein poopoohs Purdue, decides to stay home and work on CAMPUS, just in case. Thetas celebrate, plague WHEEL for fifth week about their new house, distribute bylines all round. WHEEL demands R. S. V. P. from Administration.

Friday, April 5—Campus unmoved as French students compete for medal and \$25. Juniors defeat Sophs in baseball, as if anybody cared. Hardee assails *Time* with dull corrections from English book, raises notch in key chain. Students go mad as Jackson poses for campaign photos. Silverstein decides to run for CAMPUS.

Sunday, April 7—Guy—that Guy—named to receive Herty Award. Selection committee says his "discovery of

new students is greater than discovery of new elements." Dooley, still undiscovered and glad of it, goes into hiding. Seventeen new faces seen in church—ain't it a shame what some people will do to get elected?

Monday, April 8—Dr. Cox makes overture to SAC by inviting members to share lunch with him at cafeteria. Harwell conspicuous by his presence. Sturgess gets CAMPUS managership, promises not to be another Rolleston, promptly buys new spring suit. Phillips named WHEEL manager, starts looking for legal loophole to raise salary. Wilson to manage PHOENIX. Somebody better manage Wilson. Ep Harris decides to become another Duffee, goes to work on Covington News. Journalism department sighs with relief.

Thursday, April 11—Dr. Steadman decides Silverstein will run for PHOE-NIX. Johnston also nominated, hopes nobody remembers his brother. PHOE-NIX committee decided only God can make a three, Fain and Kytle chosen to run for WHEEL—everybody surprised. Three juniors with aggregate total of nine months' experience nominated for CAMPUS. Gignilliat coaches Franklin Smith on campaign. Smith thinks he'll join Chewning in hospital. SAE's try
